Display Back Options

Plaque Fabric Back

Commonly referred to as loop fabric, the Plaque Fabric Back is designed to work with hook component of Velcro that will allow for the easy mounting of plaque awards, photos, and certificates. The 100% nylon fabric with polyester foam core and nylon jersey backing is standardly available in an off-white *Oyster* color for all cases featuring the Plaque Fabric option except for the Prominence cases, which utilizes light gray *Platinum* color.

White Laminate Back

Constructed of melamine laminate bonded to a MDF substrate, the Laminate Back is a highly visible, uncluttered backdrop. The Laminate back panel is offered in Bright White. The low maintenance White Laminate Back is washable, colorfast, and stain resistant.

Mirror Back

For added luster, many display cases are offered with a reflective Mirror back panel. The Mirror panel is backed with ANSI safety tape for added support and safety. Mirror back panels meet or exceed the lower requirements of ANSI SPEC Z97.1.

Cork Back

Cork back panel is made of natural cork. Its fine-grain appearance creates a traditional look. The tackable panel will withstand repeated puncture marks from thumbtacks and pins without marring the surface.
